

Volunteer Application

Thank you for considering becoming a volunteer with Ottawa Dog Rescue! By volunteering with us you can help make a difference for the dogs in our community. Our success is based on our volunteers and fosters. They have a direct impact on the number of animals that we can rescue and are truly the backbone of our organization; without them we would not be in existence. Some volunteers are with us for a short period of time while others are in a position to make a longer commitment. Whatever your situation, volunteering is a wonderful way to contribute and we welcome you into our organization. We need volunteers with varying backgrounds to fill different roles such as fostering, special events, dog bed/tug making, fundraising, home visits, research, newsletter creation, volunteer recruitment and transporting etc.
